Holy Spirit – Series Conclusion – Renew, Restore, Revive

You might want to read the passage from Ezekiel 37. 1-14

Renew, Restore, Revive - "Re" implies the idea of "again," "once more,"

Renew --> new again, re-start, fresh reset

Restore --> the idea of God given us a new story/identity with the coming of the Holy Spirit

Revive --> bring new life, new hope

Does any of these words resonate with you today? Looking back in the last 11 weeks can you share:

- a "re-start,"
- a "fresh reset,"
- a sense of being restored,
- a new hope or comfort?

You might want to go through the following titles and ask people to think/remember

Holy Spirit – Wind and Water (Creation)

Pentecost - Wind, Fire and Speech

Holy Spirit – Advocate and Helper

Holy Spirit – Comforter and Teacher

Holy Spirit – The Living Water

Holy Spirit – Transforming Lives

Holy Spirit – Consecration and Anointing: Being Set Apart for His Purpose
Holy Spirit – Leading and Purifying (Wind and Fire)
Holy Spirit – Bringing Unity
Holy Spirit – The Ministry of Jesus Today

Ed said that we need to think about God as Three in One which includes the Holy Spirit.

- How do you address God's Spirit in your prayers?
- What do you need from God's Spirit right now?

How could you continue to explore the Holy Spirit's works and gifts in your group? What practical steps could you take?

I trust that this will give you an opportunity to have a good conversation.

Yours,

Fabian
