Our Mission Focus for
June

please keep them in
your prayers

‘Count your blessings name them one by one...’

- Be grateful if God has blessed you with a healthy family.....very few of the people we work with do not have physical or mental ill health as a contributory factor to their debts.
- Be grateful if God has blessed you with friends who offer support in a crisis.....most of the families we work with are socially isolated.
- Be grateful if God has blessed your life thus far without facing major trauma, such as sexual assaults or being caught up in a war zone.....Many of the people we work with have not lived relatively straightforward lives.
- Be grateful if God has allowed you to grow up and live in a stable country.....remember Jesus was a refugee as a baby.
